Team: Solo

Description: Code Raze will feature a series of coding questions for participants to solve, testing their problem-solving abilities and programming skills across different levels of difficulty. Join us to tackle these challenges and enhance your coding expertise!

Prizes:

   1st Place: ₹15000

   2nd Place: ₹7000

Rules & Regulations:

 1. Participants must compete individually.

2. The competition consists of a single round with multiple programming problems.

 3. The coding round will last 2 hours.

 4. All submissions must be made before the deadline.

5. Participants are allowed to use any programming language.

 6. Each question will be assigned a specific weight, contributing to the overall score.

7. Solutions must be submitted in the specified format, which will be outlined in the competition guidelines.

8. **Plagiarism, AI-generated or copied solutions, cheating, or collaboration will result in immediate disqualification**.

9. Participants are requested to make an account at HackerRank.(for online participants)
